Spring Gala Basket Donation Letter

To Whom It May Concern:

P37R David Marquis School of the Arts is a District 75 school which provides highly specialized instructional support for students with significant challenges including but not limited to: Autism, Cerebral Palsy, Epilepsy, Down Syndrome, and cognitive, emotional, and multiple disabilities. Our school provides comprehensive educational and therapeutic services for all students. Our students range from pre-school to high school age. Our school relies heavily on PTA fundraising to help support our school and students. All funds raised go toward educational therapeutic resources, materials and supplies and safety equipment, as well as to help fund enrichment activities for our students and school community throughout the year. As our student population grows, so does the need for increased funds, and so we are kindly asking for your help.

This year P37R PTA is preparing for our 2nd Annual Spring Gala fundraiser which will be held on Friday April 12, 2024 at *Old Bermuda Inn*. We would greatly appreciate any donations that you are able to provide such as an item(s) for our raffle baskets, event tickets, gift certificates or monetary contributions. Nothing is too small, and every gift helps.

Please feel free to send any donations to our school (15 Fairfield Street Staten Island, NY 10308). If you have any questions about the event please feel free to contact us via email 75R037PA@schools.nyc.gov or by phone Kristie Montalvan (917)502-4841.
